No construction is permitted in prohibited area of the said CPM as per the provisions of AMASR, Act, 1958.

Special Agenda:

(The Executive Engineer, Kerala PWD Buildings Division, Palakkad, Kerala)

The Authority considered the D.O. letter no. PLEGA-B2/156/2020-PLEGA dated 10.11.2022 from Principal Secretary, Government of Kerala addressed to Secretary, Culture. In the context of the application filled by the Executive Engineer, Kerala PWD Buildings Division, Palakkad for grant of NOC for construction of District Planning Committee (DPC) Building, Palakkad, Kerala. The case had been earlier considered in 111th and 124th NOC meeting of NMA. The District Planning Committee Building, Palakkad District shall accommodate all the offices which will coordinate all the development activities in the district and play a pivotal role in development of the district. It is a project for the benefit of the public at large and the construction would involve expenditure from the public exchequer. The building shall be fully owned by Govt, of Kerala. The Authority noted that no show cause notice been issued for this project and only a stop notice was issued which was duly compiled by the Executive Engineer, Kerala PWD by stopping the construction work. Thereafter the building is in non-complete stage and is deteriorating fast, as mentioned in the D.O letter of Principal Secretary, Government of Kerala.

Further, the matter was also referred to ASI by CA, Kerala twice vide letters dated 23rd July 2020 and 29th September, 2021. Since there has been no reply for more than 2 years from ASI, the same may be interpreted as no comments.

After detailed discussions and duly considering the minimal possibility of any adverse impact on the CPM in question namely, Palakkad Fort, due to the proposed construction, the Authority decided to recommend in large public interest, grant of NOC for construction of District Planning Committee Building for GF+4 Floors with the total height of 19.70 mtrs (including mumty, parapet, water storage, tank etc.) with the floor area of; GF=563 mtrs, FF=SF=TF=583 mtrs, Terrace floor= 55 mtrs, Porch = 20 mtrs.
